

ACCOUNT CLERK I/II

Job Status: Non-Exempt
Date Adopted: 10-2001
Date Modified: 03-16-2023

Service Beyond Expectation

Safety Sensitive Position

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

DEFINITION

Under general supervision, performs a variety of responsible technical accounting and clerical duties involved in financial record keeping and reporting duties in support of assigned accounting system, function, or program areas, including areas of miscellaneous billing and month-end closing; prepares various reports, statements, statistics, and special projects; answers questions and provides information and assistance to other staff and the general public; and performs other duties related to the more complex administrative, accounting, and clerical functions of the Finance Department.

DISTINGUISHING CHARACTERISTICS

This series class specification defines and describes the nature and levels of work performed in the Account Clerk job series.

Account Clerk I - Incumbents assigned to this level learn and perform a limited range of the less complex or specialized work tasks, under closer supervision, with less latitude for independent action.

Account Clerk II - Incumbents perform the full range of tasks common to the classification series under less supervision while exercising discretion and independent judgment within established guidelines.

SUPERVISION RECEIVED AND EXERCISED

Direct supervision is received from the Accounting Supervisor and/or the Finance Manager.

ESSENTIAL AND MARGINAL FUNCTION STATEMENTS

Essential and other important responsibilities and duties may include, but are not limited to, the following:

Essential Functions:

1. Participates in financial record-keeping activities for the District; posts data to various ledgers, registers, journals, and logs according to established accounting techniques and procedures.
2. Generates and reconciles (monthly, quarterly, and annual) reports in relation to each specialty.
3. Conducts research and provides information as requested by District staff or customers/vendors.
4. Performs various general office support tasks supporting department operations; assists and backs up other staff; assists in departmental correspondence, document scanning, filings, and telecommunications.
5. Participates in cross-training activities and provides backup as directed.
6. District employees are expected to work overtime, weekends, evenings, and holidays as required to accommodate the District's needs, in addition to responding as a Disaster Emergency Service Worker.

Account Clerk I/II

Essential Functions (continued):

7. Regular attendance at the work site.

Essential Functions by Specialty:

Accounts Payable/Accounts Receivable Discipline

1. Sorts, reconcile, matches and distributes vendor invoices, receivers, and statements for payment processing. Verifies approvals and enters invoice information into computer; edits accounts payable registers, prints checks, transmits 1099 files, and updates vendor information; assists departments and vendors with inquiries.
2. Sorts, matches, and reconciles customer utility payments for processing; processes customer payments and encodes checks on automated encoding machine; assigns account numbers to miscellaneous revenue; close out the cash register, balances daily receipts, and prepares monies for bank deposit.
3. Performs account reconciliations for audit work papers; assists in bank account statement reconciliations.

Payroll Discipline

1. Performs payroll processing functions; reviews and enters timesheet information into computer; edits payroll registers, prints paychecks, transmits direct deposit, processes benefit and deduction checks; and distributes payroll summary reports to appropriate personnel.
2. Receives and responds to employee inquiries regarding payroll, taxes, deferred compensation, deductions, and calculations; researches and resolves concerns within a timely manner.
3. Reconciles, reviews, and prepares bi-weekly compensation data for reporting to the California Public Employee Retirement System (CalPERS).
4. Generates and reconciles quarterly and year-end payroll tax returns; reconciles benefit statements and general ledger accounts; updates annual tax tables; and processes W-2s.
5. Monitors and updates daily tracking of cash activities and cash levels; compare deposit listings to daily bank ledger activities; notifies appropriate staff about discrepancies, returned checks, or deposits. Identifies unusual items. Responds to bank inquiry about possible fraudulent transactions.

Utility Billing Discipline

1. Generates, reconciles, and monitors utility billings and statements; generates reminder and lock-off notices as needed; recommends disposition of unpaid invoices.
2. Assists customers with inquiries regarding charges or delinquencies; performs cashiering duties; assists departments with inquiries and/or research.
3. Audits daily utility billing reports and resolves identified billing issues to ensure accurate billing.

Account Clerk I/II

Utility Billing (continued):

4. Answers routine to complex utility billing questions either by telephone, email or in person; review consumption history and conducts research to answer customer inquiries; submits field requests for meter re-reads and meter tests; reviews field results; estimates and recommends billing adjustments; follow up with customers to provide information on actions taken and resolutions to issues.
5. Serves as the primary backup to Customer Service Representatives as needed.
6. Analyze and transmit delinquent accounts to a collection agency and State Intercept Program.

Marginal Functions:

1. Provides backup assistance to the Receptionist and Customer Service Representatives as needed.
2. Performs related duties and responsibilities as required.
3. Sorts and distributes District-wide daily mail as needed.

KNOWLEDGE, SKILLS, AND ABILITIES
