## CVWD'S OPEN HOUSE & WATER FAIR - WHAT A DAY TO CELEBRATE!

On Saturday, May 17th, CVWD welcomed more than 750 community members to our annual Open House & Water Fair Celebration—and it was a day to remember!

Attendees had the chance to meet CVWD employees, explore the vital services we provide, and enjoy a wide variety of engaging activities. The event featured informational booths hosted by CVWD departments, community partners, and local legislative representatives. Guests enjoyed exciting department demonstrations, vehicle displays, and plenty of family-friendly fun, including a dig pile, face painting, an edible aquifer activity, and more!

We are incredibly grateful for our amazing volunteers and community partners who helped make this event such a success. A special thank you goes to Edison International for their generous sponsorship and continued support.

## 2024 WATER QUALITY REPORT

Available July 1, 2025

The Cucamonga Valley Water District's Water Quality Report will be available online by July 1, 2025 at <http://www.cvwwater.com/CCRpdf>. To request a printed copy of the Water Quality Report, please contact the Government & Public Affairs Department at 855-654-CVWD.

Cucamonga Valley Water District publicará el Informe de Calidad del Agua y estará disponible Julio 1, 2025 en <http://www.cvwwater.com/CCRpdf>. Para solicitar una copia impresa del Informe de Calidad del Agua, favor de comunicarse con nosotros al 855-654-CVWD.

# 2025 Water Savvy

## LANDSCAPE CONTEST WINNERS

CVWD proudly promotes outdoor water conservation by celebrating customers who showcase landscapes that are both stunning and sustainable. This year's Water Savvy Landscape Contest received an impressive number of entries, each reflecting the creativity and commitment of our community. Congratulations to our 2025 Grand Prize Winners: Lafrenz Residence, Proulx Residence, Herrera Residence, and the Hilton Residence! Thank you for being water-wise role models and inspiring others to embrace beautiful, drought-friendly landscaping.

Lafrenz Residence

Proulx Residence

Herrera Residence

Hilton Residence

### FEELING INSPIRED? TRANSFORM YOUR YARD!

**TURF REPLACEMENT REBATE PROGRAM:** CVWD customers can take advantage of a rebate starting at \$2 per square foot for replacing grass with a water-efficient landscape. Plus, applicants may now receive an additional \$100 per tree planted—up to 5 trees per project—for a maximum tree incentive of \$500.

For more information visit [SoCalWaterSmart.com](http://SoCalWaterSmart.com)!

### LETS LEARN TOGETHER!

Field trip registration will begin August 2025. We look forward to welcoming the local teachers and students in our service area to our ELC during the 2025/2026 school year! For more information about CVWD's education programs, visit [CVWDwater.com/FieldTrips](http://CVWDwater.com/FieldTrips).

We are grateful to our education partners for helping make these field trips possible and inspiring the next generation of environmental stewards. A special thank you to Edison International for their generous support in funding our educational efforts.

## Summer Water Wise Tips

- Regularly check for and repair leaks in toilets, faucets, and pipes, as even small drips can add up significantly.
- Choose native or drought-tolerant plants for your landscape to reduce water needs.
- Water lawns and gardens in the early morning or evening when temperatures are cooler and evaporation is less.
- Sweep driveways and sidewalks instead of hosing them down, and use a bucket to wash cars instead of a hose.
