## BOARD PRESIDENT REED SERVES AS PRINCIPAL FOR THE DAY

CVWD Board President Randall Reed joined Alta Loma School District's Principal for a Day event, stepping into the role of a school leader for a day of connection and discovery as he visited classrooms and engaged with students. Opportunities like this highlight CVWD's ongoing commitment to supporting local schools and inspiring future generations through meaningful, hands-on learning experiences. CVWD looks forward to continuing to collaborate with local partners!

## WATER RANGER SUMMER CAMP

This summer, CVWD proudly hosted its first-ever Water Ranger Summer Camp in partnership with Alta Loma School District. Over six exciting days, campers explored the fascinating world of water through hands-on activities at the Environmental Learning Center and CVWD's Water Treatment Plant. From dissecting owl pellets and building water filters to learning about local wildlife and conservation, each day sparked curiosity, creativity, and a deeper appreciation for our most precious resource.

We are incredibly grateful for our dedicated volunteers and community partners who helped make this camp such a success. Their teamwork and passion for education brought our mission to life in a truly inspiring way. A special thank you goes to Edison International for their generous sponsorship and continued support in helping us empower the next generation of Water Rangers.

## PA Staff Receives Third Place STAR Award from CAPIO

We are proud to announce that the PA staff has been recognized with a Third Place STAR Award from the California Association of Public Information Officials (CAPIO). This esteemed recognition honors the exceptional work done by our Public Affairs team in producing the captivating video celebrating the 70th Anniversary of the Cucamonga Valley Water District (CVWD).

The award acknowledges the team's creativity, storytelling effectiveness, and commitment to community engagement, all while highlighting CVWD's seven decades of service in providing safe, reliable water. Congratulations to the Public Affairs team for this remarkable achievement!

## 5th GRADE TEACHERS!

CVWD's annual Fifth Grade Poster Contest is here! Fifth grade teachers in the CVWD service area are encouraged to participate and can expect to receive materials throughout the month of November. For more information about the Fifth Grade Poster Contest, visit [www.CVWDwater.com/postercontest](http://www.CVWDwater.com/postercontest).

## RISE PROGRAM

Got sprinkler problems? CVWD can help!

The Residential Irrigation System Enhancement Program (RISE) is now available to help residents improve water use in their landscapes.

This no-cost program provides the following services:

- Outdoor water use evaluation (landscape audit)
- Sprinkler repairs
- Upgrade to high efficiency sprinkler nozzles
- Weather based irrigation controller

Each site has an allotted budget, which may not cover all services and devices listed above depending on a resident's landscape size and needs.

All work is completed by a certified irrigation professional. Restrictions apply and funding is limited.
