1. "In-Network Benefits" refer to benefits provided under this plan for covered dental services that are provided by a participating dentist. "Out-of-Network Benefits" refer to benefits provided under this plan for covered dental services that are not provided by a participating dentist.
2. Negotiated fee refers to the fees that participating dentists have agreed to accept as payment in full for covered services, subject to any copayments, deductibles, cost sharing and benefits maximums. Negotiated fees are subject to change. Negotiated fees do not apply to non-covered services in states that prohibit limitations for services not covered under a plan. Participating providers in these states may charge their non-negotiated fees for non-covered services.
3. Reimbursement for out-of-network services is based on the Reasonable and Customary (R&C) charge, which is based on the lowest of (1) the dentist's actual charge, (2) the dentist's usual charge for the same or similar services, or (3) the usual charge of most dentists in the same geographic area for the same or similar services as determined by MetLife.

Where two or more professionally acceptable dental treatments for a dental condition exist, reimbursement is based on the least costly treatment alternative. If you and your dentist have agreed on a treatment that is more costly than the treatment upon which the plan benefit is based, you will be responsible for any additional payment responsibility. To avoid any misunderstandings, we suggest you discuss treatment options with your dentist before services are rendered, and obtain a pretreatment estimate of benefits prior to receiving certain high cost services such as crowns, bridges or dentures. You and your dentist will each receive an Explanation of Benefits (EOB) outlining the services provided, your plans reimbursement for those services, and your out-of-pocket expense. Actual payments may vary from the pretreatment estimate depending upon annual maximums, plan frequency limits, deductibles and other limits applicable at time of payment.

* The service categories and plan limitations shown above represent an overview of your Plan of Benefits. This document presents many services within each category, but is not a complete description of the Plan. Please see your Plan description for complete details. In the event of a conflict with this summary, the terms of the certificate will govern.

Like most group benefits programs, benefit programs offered by MetLife contain certain exclusions, exceptions, waiting periods, reductions, limitations and terms for keeping them in force. You may be financially responsible for copayments, deductibles, or any other amounts in excess of those MetLife is required to pay for covered services as described in your dental certificate and/or policy. Ask your MetLife representative for costs and complete details.

Frequently Asked Questions

Average fees charged in a dentist's community for the same or substantially similar services.

How do I find a participating dentist? There are thousands of general dentists and specialists to choose from nationwide - so you are sure to find one who meets your needs. You can receive a list of these participating dentists online at www.metlife.com/mybenefits or www.metlife.com/dental or call 1-800-275-4638 to have a list faxed or mailed to you.

What services are covered by my plan? All services defined under your group dental benefits plan are covered. Please review the enclosed plan benefits to learn more.

May I choose a non-participating dentist? Yes. You are always free to select the dentist of your choice. However, if you choose a non-participating dentist (out-of-network), your out-of-pocket costs may be higher.

Can my dentist apply for participation in the network?

Yes. If your current dentist does not participate in the network and you would like to encourage him/her to apply, ask your dentist to visit www.metdental.com, or call 1-866-PDP-NTWK for an application.² The website and phone number are for use by dental professionals only.

How are claims processed? Dentists may submit your claims for you which means you have little or no paperwork. You can track your claims online and even receive e-mail alerts when a claim has been processed. If you need a claim form, visit www.metlife.com/mybenefits or request one by calling 1-800-275-4638.

Can I find out what my out-of-pocket expenses will be before receiving a service? Yes. MetLife recommends that you request a pre-treatment estimate for services in excess of \$300. Simply have your dentist submit a request online at www.metdental.com or call 1-877-MET-DDS9. You and your dentist will receive a benefit estimate for most procedures while you're still in the office. Actual payments may vary depending upon plan maximums, deductibles, frequency limits and other conditions at time of payment.

Can MetLife help me find a dentist outside of the U.S. if I am traveling? Yes. Through international dental travel assistance services* you can obtain a referral to a local dentist by calling +1-312-356-5970 (collect) when outside the U.S. to receive immediate care until you can see your dentist. Coverage will be considered under your out-of-network benefits.** Please remember to hold on to all receipts to submit a dental claim.

How does MetLife coordinate benefits with other insurance plans? Coordination of benefits provision in dental benefits plans are a set of rules that are followed when a patient is covered by more than one dental benefits plan. These rules determine the order in which the plans will pay benefits. If the MetLife dental benefit plan is primary, MetLife will pay the full amount of benefits that would normally be available under the plan. If the MetLife dental benefit plan is secondary, most coordination of benefits provisions require MetLife to determine benefits after benefits have been determined under the primary plan. The amount of benefits payable by MetLife may be reduced due to the benefits paid under the primary plan.

Do I need an ID card? No, you do not need to present an ID card to confirm that you're eligible. You should notify your dentist that you participate in MetLife's PDP. Your dentist can easily verify information about your coverage through a toll-free automated Computer Voice Response system.

Do my dependents have to visit the same dentist that I select? No, you and your dependents each have the freedom to choose any dentist.

If I do not enroll during my initial enrollment period can I still purchase Dental Insurance at a later date?

Yes, employees who do not elect coverage during their 31-day application period may still elect coverage later. Dental coverage would be subject to the following waiting periods.

- No waiting period on Preventive Services
- 6 months on Basic Restorative (Fillings)
- 12 months on all other Basic Services
- 24 months on Major Services
- 24 months on Orthodontia Services (if applicable)
