COMMENTS FROM TEACHERS:

- Thank you for all you do for our community!
- Reaching out to teachers in an email is great. Thank you
- My experience there was awesome!
- Thank you very much for your help!
- Help my students get Wifi
- Students really rely on the schools to provide pencils, colored pencils etc
- So thankful for this forum!
- I like the idea of a virtual field trip
- Informational science videos would be helpful.
- Masks!
- Just knowing that you are available to support and enrich our students' education is amazing!
- Links + field trips
- All these ideas are great
- I would love a zoom talk from a CVWD professional
- An activity on how water is important to us and staying hydrated especially since we live in a desert type area.
- Learning activities, science experiments
- Ideas for science lessons
- The virtual field trip and live lesson on zoom would be amazing!
- We love the poster contest (5th grade). Anything artistic is fun for kids who like art. Things that are "different" are exciting.
- Student pledges and community networking
- Challenges: drawing, coloring, application problem solving
- Fun ways to save water while and home
